

# \$40 for 40!

## CELEBRATE 40 YEARS OF MHAGI'S 24-HOUR CRISIS LINE

### **\$40 for 40 Years!**

Since 1970, our 24-Hour Crisis Line has served the citizens of Greater Indianapolis who have had crisis situations such as contemplating suicide, mental illness, substance abuse, rape, abuse, bereavement, relationship issues, stress and many others. Two Staff and 25 Volunteers (referred to as Clinical Associates) field nearly 4,000 calls per year. We are here for anyone who has a life situation that they consider a crisis, and we provide a safe, non-judgmental environment to express concerns or get referrals.

### **Your \$40 Donation Will:**

- Provide Training for One Clinical Associate Volunteer
- Provide Assistance, Referral and Peace of Mind to Two Callers in Crisis
